

Low Mark in Asian War Dead

By RICHARD PYLE
Associated Press Writer
SAIGON (AP) — Eighty Americans were killed in action in Vietnam and Cambodia last week, the lowest toll in nine weeks, the U.S. Command reported today. But the number of American wounded increased sharply, from 364 the week before to 643 for the week of June 14-20.

South Vietnamese forces reported 366 of their men killed and 1,071 wounded last week, 110 fewer dead and 523 fewer wounded than the week before. The claimed toll of the enemy increased to 2,093 killed, from 2,079 the week before.

There was no explanation for the drop in allied casualties coupled with the increase in the enemy's.

Twenty of the Americans were killed in Cambodia and 255 were wounded there, the U.S. Command said. It reported U.S. casualties in Cambodian operations since April 29 now total 331 killed and 1,477 wounded.

The weekly summary raised total American casualties since Jan. 1, 1961, to 42,754 killed and 281,701 wounded, while the allies now claim a total of 652,296 Viet Cong and North Vietnamese killed in the war.

In Cambodia, meanwhile, a military spokesman in Phnom Penh reported North Vietnamese troops attacked a major military base 27 miles northwest of Phnom Penh and fighting was continuing.

The battle was three miles from Kompong Luong, site of an important ferry crossing on the Tonle Sap River and one of the links between the Cambodian capital and the country's northern provinces, many of which are now under control of the Viet Cong and North Vietnamese.

The spokesman said he had no details of the fighting, but he denied a Japanese report from Bangkok that the Phnom Penh airport had been shelled Wednesday night. Officials at the airport said it was operating normally.

The spokesman also reported Cambodian planes bombed enemy positions at 15 miles northeast of Phnom Penh and said villagers in the area reported "about 100 Viet Cong killed."

Thirty miles southwest of Phnom Penh, the Cambodian army drove two columns of enemy troops to the southeast Wednesday after a series of enemy attacks on Kompong Speu, a provincial capital retaken by the government nine days ago. Newsmen who traveled to Kompong Speu reported that heavy trucks were once more rolling through the town and down Highway 4 to Kompong Som, Cambodia's chief port and the site of its only oil refinery.

Cambodia Report Due From Nixon

WASHINGTON (AP) — President Nixon heads West today to work on a report on the conclusion of the U.S. intervention in Cambodia after first giving a speech on "what's right with America."

That was the phrase a Nixon associate used to describe the remarks the President scheduled today at the 50th anniversary convention of the U.S. Junior Chamber of Commerce in St. Louis.

Nixon is stopping in St. Louis en route to his seaside villa at San Clemente, Calif.

Making the trip with him were wife, Pat, daughter Tricia and a number of aides including chief of staff H. R. Haldeman, security adviser Henry A. Kissinger, appointments secretary Dwight Chapin and speech writer Patrick Buchanan.

The chief executive has yet to decide on a format for reporting to the nation on U.S. operations in Cambodia following the promised June 30 withdrawal of American troops from that country.

However, it was learned Nixon may make a nationwide television appearance next week from the western White House in San Clemente.

Nixon's talk to the Junior Chamber of Commerce was billed in advance as concerning "prospects for the future in the United States."

Aides said it would deal with home front problems and emphasize their hopeful aspects.

Friday, Nixon will be host at San Clemente to selected editors and publishers from around the nation "to discuss various issues," including Southeast Asia.

Mrs. Nixon will be leaving San Clemente Sunday or Monday for Peru to make a token delivery of relief supplies to earthquake victims in that country and dramatize American concern for the sufferers.

She will fly back to California Wednesday or Thursday.

er was out in a section of the city for 30 minutes. Wind gusts were reported up to 50 miles an hour.

Brief heavy rainshowers and hail were reported in Benton, Washington, Izard, Sharp and Stone counties as the squall line moved through the state.

Highs Wednesday ranged from 93 at Texarkana and Fort Smith to 83 at El Dorado.

Mrs. Purcell will send a card to the family acknowledging the contribution to the American Cancer Society.

Services to cancer patients may be obtained by contacting the Division Office of the American Cancer Society, P.O. Box 7121, Little Rock, Arkansas, where a central Loan Closet is maintained.

Because of the urgent need for funds to support the American Cancer Society's three-fold program of Research, Education and Service, the members of the local Unit of the Society plan to make an all-out effort to raise funds to fight cancer and will welcome the help of anyone wishing to volunteer their services.

Office Set Up by L.R. Group

LITTLE ROCK (AP) — The Board of Directors of Metropolitan voted Wednesday to set up a central office to match manpower needs and resources for a six-county area.

The project would include Pulaski, Saline, Faulkner, Lonoke, Prairie and Monroe counties.

Little Rock city officials requested that the center be established to use a \$37,970 federal grant if approved by the Labor Department.

GOP Wants War Issue Settled Now

By CARL P. LEUBSDORF
Associated Press Writer
WASHINGTON (AP) — Efforts by Nixon administration backers to make the current Senate debate on Cambodia the year's major discussion of U.S. Southeast Asia policy have stirred angry charges from Democrats.

Republicans made clear Wednesday they would like to see all antiwar amendments—whether intended for this bill or others—disposed of during the current debate on the military sales bill, now in its seventh week.

It is time, assistant Republican Leader Robert P. Griffin told the Senate, to "clean up these matters and get on to other issues."

Sen. George S. McGovern, D-S.D., charged that Republicans would be guilty of "crude and cynical partisanship" if they try to bring up his amendment to halt U.S. activities in Indochina without his approval.

He says he wants it considered as an amendment to military procurement legislation to be considered later and will attempt to block any effort to consider it now.

Sen. Gordon Allott, R-Colo., who had mentioned the possibility of such a move, said it would be neither cynical nor crude.

Earlier, three Democratic senators—J.W. Fulbright of Arkansas, John C. Stennis of Mississippi and Ernest F. Hollings of South Carolina—assailed Republican Sen. Robert J. Dole's successful move to have an amendment repealing the 1964 Gulf of Tonkin resolution added to the military sales bill.

Fulbright, who said he favored repeal by the concurrent resolution approved by his For-

ign Relations Committee and scheduled for later action, voted against Dole's amendment "to preserve the integrity of the procedure."

But it carried by a vote of 81 to 10. Although the Johnson administration cited the Tonkin resolution in dispatching 500,000 troops to Vietnam, the Nixon administration says it is obsolete and irrelevant.

Hollings charged the Nixon administration's reaction to the entire Cambodia debate has been marked by "overkill, to prove the Congress is not necessary, to prove the President as Commander-in-Chief can do whatever he wishes."

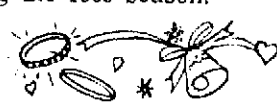

After approving Dole's amendment, the Senate voted 52 to 36 to reject an amendment by Sen. Jack Miller, R-Iowa, to loosen a restriction that would require recipients of military aid and surplus weapons to put up 50 per cent of the cost. The Iowa Republican said this would place a severe burden on countries such as Turkey and South Korea.

Memphis Says Hospitals 'Short'

WEST MEMPHIS, Ark. (AP) — Memphis hospital officials said Wednesday that less than half the total amount collected for payment of bills incurred by Arkansas indigents in Memphis hospitals has been paid to the hospitals.

Special nights of dog racing are scheduled at the Southland dog racing track here with the collections going to the state Welfare Department for payment of hospital bills incurred by Arkansas indigents who have received medical treatment in Memphis hospitals.

Tuesday night's collection of \$17,661 boosted the total of \$267,080 through 16 nights of racing, which includes 12 during the 1969 season.

Israeli Bomb 2 Syrian Bases

By MICHAEL GROSS
Associated Press Writer
TEL AVIV (AP) — Israeli warplanes attacked two Syrian army camps near Damascus today, the Israeli military command announced. The raids close to the Syrian capital were in retaliation for a heavy Syrian tank and artillery attack on Israeli posts in the Golan Heights Wednesday night.

An Israeli spokesman said the air force attacked camps at Qatana, 16 miles southwest of Damascus, and Kiswah, 10 miles south of the city. He also reported an attack on another camp at Seijen, near Suwayda, 60 miles southeast of the capital.

A Syrian army spokesman in Damascus confirmed the attacks on Qatana and Kiswah, saying the Israeli jets bombed and strafed the two towns.

The Syrian spokesman said the Syrian air force and anti-aircraft batteries challenged the raiders, but an Israeli spokesman reported, "All Israeli planes are safe."

The Israeli and Syrian accounts of the Golan Heights battle Wednesday night differed sharply, as Israeli and Arab reports usually do. The Syrians claimed 175 Israeli soldiers were killed or wounded; the Israelis said they had one killed and seven wounded.

Al Baath, a Damascus newspaper which speaks for Syria's ruling Baath Socialist party, linked the raid to the new U.S. proposals for a Middle East settlement. Observers in Damascus said the Syrian attack indicated the Damascus government will not agree to a cease-fire which reportedly is part of the U.S. plan. Syria has never agreed to the U.N. Security Council's cease-fire resolution

calling for a peaceful settlement of the Arab-Israeli conflict.

The Arabs claimed their tanks and other armored vehicles crossed the 50-mile cease-fire line at dusk beneath a furious artillery barrage and inflicted heavy damage on two Israeli fortifications in the heights Israel captured from Syria in the 1967 war. The Israelis said three Syrian tanks crossed the line, and that two were destroyed and the other fled.

Israeli military spokesmen said their artillery, tank and air attacks silenced the Arab guns after two hours.

It was the first reported attempt by Syrian ground forces to breach the cease-fire line since the 1967 war. A heavy Syrian artillery barrage on June 8 killed an 18-year-old Israeli girl soldier and wounded 10 other young Israeli troops at one of the paramilitary farm settlements Israel has established on the heights.

VOTING LAW (from Page One)

Negro had offered for sheriff since Reconstruction, six ran this year in May primaries. All were defeated—but two took their white opponents into run-offs.

In South Carolina, Dr. Claud Stephens, a Negro, forced incumbent Rep. John L. McMillan into a runoff before losing his bid for the Democratic nomination on Tuesday.

The increased power of the black vote in the South is attributed to a very large degree to the Voting Rights Act.

The 1965 bill abolished literacy tests in states where less than half the adult population was registered or voted in November 1964. It authorized the U.S. attorney general to dispatch federal voting examiners when and where he believed they were needed. And it provided criminal penalties for intimidating anyone trying to vote.

Opponents call it discriminatory, illegal and unconstitutional.

Black leaders, however, have a different criticism of the act. They contend that it is not strong enough and that it has not been sufficiently enforced.

MRS. WILLIAM THOMAS FULLER

The wedding of Miss Charlotte Eugene Moore and William Thomas Fuller was solemnized Saturday, June 6 in the sanctuary of the First Baptist Church. The bride is the daughter of Mr. and Mrs. R. D. Moore, and the bridegroom is the son of Mr. and Mrs. J. C. Fuller, Sr. of Lewisville.

In a setting of greenery, seven-branched candelabra and baskets of white glads and stocks, Mrs. Arthur Strech, organist, played a program of nuptial music and the traditional wedding marches. Dr. S. A. Whitlow heard the exchange of vows at the double-ring ceremony.

Entering on the arm of her father, the bride wore a dress of Elizabethan design fashioned with a high, ruffled neck, long sleeves and a straight skirt. The Empire bodice was encrusted with seed pearls, and the cathedral train was embellished with pearls and lace medallions. The veil was four tiers of illusion held in place by a lace and pearl-trimmed wedding ring band. She carried a cascade bouquet of

white roses. The maid of honor, Miss Mary Ellen Holder, and the bridesmaid, Miss Sally Booth, were gowned in soft blue chiffon with white lace trimming, similar in design to the bridal gown. Each had a white, picture hat with blue streamers and carried white feathered carnations.

HELEN HELP US!

by Helen Bottel

TRUST IS WHERE YOU FIND IT

Dear Helen:
I came home from a trip, and found another man's jacket in our bedroom closet. My wife told me it belonged to a bachelor at work, and she had brought it home to mend a seam. I accepted the story.

Last week my wife discovered a woman's compact in our bathroom. She refused to believe me when I told her I found it at the office and left it there as a joke. Now if I took her jacket story, why shouldn't she accept the fact that I was simply testing her trust in me? —HURT HUSBAND
Dear H. H.:

I'd say you two deserve each other. —H.

Dear Helen:
Remember when listening services were going strong? You paid a dollar and got a half-hour of listening over the telephone, with appropriate sounds of sympathy as you poured out your troubles.

Well, I have a bright idea, now that summer vacations are coming on. Why doesn't someone advertise: "We will watch your color slides and home movies for \$3.00 an hour. Absolutely no sleeping."

This would save friends and relatives from interminable fuzzy shots of Cousin Horace or Aunt Mehitabel standing before the inevitable palace or monument. And it would assure a wakeful audience.

I would start the business myself but I'm too busy putting together a very superior slide of our European trip which my friends and relatives have said they can't wait to see. You're invited too, Helen. —HARRY
Dear Harry:

Great! Do I collect my \$3.00-an-hour watcher's fee before or

after the showing? —H.

Dear Helen:

Thank you for publishing a few words against telephone solicitors — especially the predators who follow the vital statistics columns. I've almost broken my neck running to the phone, only to be greeted by a syrupy voice and a phony sales pitch.

I also resent department stores who give their clerks "busy work" on phone detail. If I can't read their ads for hosiery and underpants, etc., I'm not interested.

The telephone company could do something about this annoyance. How about asterisks placed in the phone book after the names of persons who don't want telephone solicitations? Then, if they aren't observed, the annoyed resident has every right to blow piercing whistle blast into the phone. That would discourage almost anyone! —W. L.

Dear Helen:

This is in reply to the gentlemen whose wife fell out of love with him, thereby "wasting four years of his life." Give her a little credit, fella. At least she was honest about it and wanted to make a clean break. It's better than living a whole life full of resentment and infidelity.

Perhaps you might be glad that only four years were shot. Are you so insecure that you think you could never find anyone else? Reconcile yourself to the fact that love is never bought or forced.

While marriage partners vow to love one another until death, this is not exactly practical since it is human to change one's mind.

Why not chalk those four years up to experience? They may make you a better husband next time. And, remember, it isn't easy for your wife either. It takes strength to admit defeat. —WENT THROUGH IT ONCE

Mets Sweep, Take Lead From Clubs

By TOM SALADINO
Associated Press Sports Writer

The New York Mets cleaned up in Chicago and the Cincinnati Reds moved out of Crosley Field on a tidy note, leaving a slightly ruffled Leo Durocher and Juan Marichal in their wakes.

The Mets captured the National League East lead Wednesday, knocking Durocher's Cubs out of the top spot by sweeping a doubleheader, 9-5 and 6-1, while Johnny Bench and Lee May ripped consecutive eighth-inning homers off Marichal in the Reds' 5-4 triumph over San Francisco in the final game after 58 years at Crosley field.

In other NL contests, Los Angeles blanked Atlanta 7-0, Montreal trounced Philadelphia 8-0, Pittsburgh edged St. Louis 4-3 in 11 innings and Houston nipped San Diego 5-4.

In the American League, Cleveland and New York split a pair, the Indians taking the first 7-2 and the Yankees the nightcap 5-4, Oakland beat Kansas City 5-1, Minnesota whipped Milwaukee 3-2, Boston defeated Baltimore 6-5, Detroit took Washington in 10 innings 3-2 and California swept a doubleheader from Chicago 3-1 and 2-1.

The defending world champion Mets took over first place from the Cubs by one-half game after taking their fourth straight in the five-game set which concludes today. It was Chicago's sixth loss in a row and dropped them from the lead for the first time since April 22.

"What can you do," said Durocher, the Cubs' skipper. "The pitching is terrible and we can't hit."

Durocher shook up the Cubs, benching slump-ridden Ron Santo and using Ernie Banks only as a pinch hitter but still couldn't stop the Mets fine pitching and hot-hitting.

Tom Seaver hurled the first game, tossing a seven-hitter, upping his record to 11-5 and striking out 11 for a major league leading 151.

Nolan Ryan, 5-5, gave up a leadoff single to Don Kessinger and then held the Cubs hitless through seven innings before leaving with a blister on the middle finger of his throwing hand.

Tommie Agee knocked in three runs and Cleon Jones four in the opener for the Mets and Wayne Garrett, who homered in the opener, had a pair of RBIs in the nightcap. Banks had a three-run pinch homer for the Cubs in the first game.

"We certainly didn't make the Cubs the target," said Gil Hodges, the Mets manager.

"But if you play good baseball and keep winning you know you can catch anybody. Our boys are playing real good baseball—getting hits, runs, pitching and defense."

The Mets have won nine of their last starts.

Bench ripped his 25th homer of the season, tying the score at 4-4 off Marichal, who dropped to 3-7 this year, before May socked his 19th of the season off the Giants' right-hander, who held a 19-9 lifetime mark over the Reds before the game.

The Reds drew 28,027 for the finale before moving on to Cincinnati's Riverfront Stadium on June 30.

"It was a great way to go out," Bench said. It's just as though it had been written in a script."

When the lights finally went out at Crosley Field, 4,543 regular season game had been played there since its opener on April 11, 1912. The stadium was also the first in the majors to have lights and the first night game was played there on May 24, 1935.

Joe Moeller, a five-year veteran, hurled his first major league shutout, blanking the Braves on six hits as the Dodgers made it three in a row over Atlanta.

Moeller, 3-2, in 56 career

game as Dodger pitchers extended their shutout pitching to 10 innings over Atlanta.

Carl Norton fired a three-hitter and the Expos exploded for six fifth inning runs off loser Chris Short of the Phils. John Bateman doubled and homered for Montreal.

Al Oliver's 11th inning single scored Gene Alley with the winning run in the Pirates come from behind triumph. Pittsburgh had tied it at 3-3 in the ninth on Bill Mazeroski's ground out. Richie Allen had a two-run blast for the Cards, his 20th of the season.

Jim Wynn slammed a three-run homer and tight relief pitching by Jim Ray helped the Astros to a three-game sweep of the Padres. Clarence Gaston and Bob Barton slugged homers for San Diego.

Hill Has Eye on Trophy, Not Money

By BOB GREEN
Associated Press Golf Writer

CLEVELAND (AP)—Controversial Dave Hill is seriously considering giving up a chance to make money in order to make a point.

"What's the money?" asked the outspoken critic of the course on which the U.S. Open Golf Championship was played.

"Money just spends," he said. "I want to win that Vardon Trophy for the second year in a row and then all them people that don't like it! Davey are gonna have to look at the record."

The Vardon Trophy is awarded annually to the touring professional with the lowest stroke average. Hill copped the coveted award last year, breaking a 10-year domination by Arnold Palmer and Billy Casper.

Hill, fined and reprimanded for his scornful blasts at the Halim National Golf Club course, was one of the last to arrive for today's first round in the \$150,000 Cleveland Open and failed to get in a practice round.

The 33-year-old Hill, winner of the Memphis Open and over \$80,000 this year, finished second to England's Tony Jacklin in the national championship and is one of the top favorites for the \$30,000 first prize here.

The skinny refugee from the caddy ranks at Jackson, Mich., has been on the demanding pro tour since 1959 but really came into his own only last year when he was second on the money list at over \$156,000, took the Vardon Trophy and three tour titles.

In 16 tournaments this year he has finished first, second and third once each and been in the top 10 seven times.

"If you're playing well, the money's gonna come."

"And I want that Vardon Trophy. I'm going to play for awhile, maybe four or five weeks after Philadelphia, then pick my spots to see where I can get the stroke average."

"I want to get it down to about 70.2 or 70.3 and pack it in for the year."

Would he skip tournaments, skip chances to pick up \$20,000 or \$30,000 to maintain his average?

"Yep."

Right now his average is about 70.5.

He and Lee Trevino, the season's leading money winner, were two of the top choices in the 144-man field that set out on the 6,661-yard, par-70 Aurora Country Club course today.

Other leading contenders included defending champion Charles Coody, Frank Beard, Gene Littler, Australian Bruce Devlin, Tommy Aaron and Tom Weiskopf.

Jacklin, Arnold Palmer, Jack Nicklaus, Casper and South African Gary Player are skipping the event.

Schofield Is Star in Boston Win

By HAL BOCK
Associated Press Sports Writer

The night started normally for Dick Schofield, Boston's occasional infielder. He figured on watching the game against Baltimore from his usual vantage point on the Red Sox bench. Then Mike Andrews showed up with an aching back and Schofield went from sub to star, just like that.

Starting at second base in place of Andrews Wednesday night, Schofield whacked a bases-loaded triple that tied the score in the seventh inning and then scored Boston's winning run on a sacrifice fly as the Red Sox rallied to knock off the Orioles 6-5.

Schofield, the journeyman infielder who has been cashing big league paychecks since 1953, figured Andrews' injury and his subsequent start gave him a break. "When you pinch hit the way I usually do, you only get one chance," said Schofield. "Tonight, I had four."

Elsewhere in the American League Wednesday, Bobby Murcer walloped four home runs—three of them in the second game—as the New York Yankees split a doubleheader with Cleveland, losing 7-2 before winning 5-4, Oakland tripped Kansas City 5-1, Minnesota edged Milwaukee 3-2, Detroit topped Washington 3-2 in 11 innings and California swept a doubleheader with Chicago, winning the first game 3-1 and taking the second 2-1.

In the National League, New York swept a doubleheader from Chicago 9-5 and 6-1 to take over first place in the East Division. Cincinnati, playing its final game in historic Crosley Field, beat San Francisco 5-4, Houston edged San Diego 6-4, Los Angeles shut out Atlanta 7-0, Montreal blanked Philadelphia 8-0, and Pittsburgh nipped St. Louis 4-3 in 11 innings.

Schofield's triple was his first extra base hit of the season and it followed three walks sandwiched around Tom Satriano's single which had narrowed Baltimore's lead to 5-2. After his three-bagger tied the score, Schofield trotted home with Boston's winning run on Reggie Smith's sacrifice fly. The hit increased his batting average for the season to .162.

Paul Blair, Brooks Robinson and Frank Robinson all had tagged early homers helping the Orioles build their lead.

When it came to home runs though, nobody outdid New York's Bobby Murcer, who clouted four in his last four official at bats against the Indians in the doubleheader. A base on balls interrupted the string.

Murcer's first shot came in the ninth inning of the opener against Sam McDowell, who scattered five hits and beat Mel Stottlemyre. The Yankee ace was struck on the pitching arm by a batted ball and forced to leave the game in the fifth inning.

Cleveland promptly jumped on reliever Mike Kekich for four runs—two on Ted Uhlaender's bases-loaded single—and that was plenty for McDowell.

Murcer homered with the bases empty in the first inning of the nightcap, connected with one on in the fifth and then cracked his fourth of the day, tying the score at 4-4 in the eighth after Graig Nettles' two-run shot had given Cleveland the lead. Then Roy White doubled and scored New York's winning run on Danny Cater's single.

Winner Stan Bahnsen was the victim of a one-punch knockout by Cleveland's Vada Pinson after a tag play at home plate. Both benches emptied but peace prevailed after the incident.

Darrell Osteen, making his first American League start, stopped Kansas City for five innings and then Marcel Lachemann finished up with four strong innings of relief, combining to pitch Oakland past Kansas City.

The A's scored two unearned runs on Paul Schaal's throwing error in the first and that was all they needed. RBI-doubles by Joe Rudi and John Donaldson keyed a three-run wrapup Oakland rally in the sixth.

Tony Oliva's eighth inning single snapped a tie and moved Minnesota past Milwaukee, Oliva's two-out single scored Cesar Tovar, who was hit by a pitch and stole second.

Dave Roswell got credit for the victory, only his third of the season, with ninth inning help from Stan Williams.

Dick McAuliffe doubled and then rode home on Mickey Stanley's 10th inning single as Detroit topped Washington. Elliot Oadcox tripled home Detroit's first run and then scored on pitcher Earl Wilson's sacrifice

The White Sox managed only two hits in the nightcap against Mel Queen, who got his first American League victory, and reliever Eddie Fisher.

Clay-Frazier Title Bout for Detroit?

DETROIT (AP) — Cassius Clay's 15-month rest from the prize-fighting ring appeared nearing an end today as groups in both Michigan and Washington moved to clear the way for a heavyweight title fight between the fiery ex-champ and Joe Frazier, now recognized as the world champ.

A fight promotion group, represented by former Detroit Mayor Jerome Cavanagh, confirmed Wednesday they are trying to stage a heavyweight title fight between Clay, also known as Muhammad Ali, and Frazier.

There remained the possibility, meanwhile, that Clay might meet Frazier in Seattle this September.

The Washington Boxing Commission, which meets Friday, will consider licensing Clay. A group of Tacoma men filed formal application for the license Monday.

Clay held the world champion title until after his conviction for failure to report for Army duty. His case is being appealed.

Both Michigan Gov. William G. Milliken and State Boxing Commissioner Chuck Davey have indicated they would not oppose efforts to place the fight in Detroit.

A spokesman for the governor said if all legal technicalities are cleared, and Davey approves the fight, the governor would not stand in the way.

Davey said he could make no recommendation for the fight until formal papers, applying for sanctioning of the match, had been filed. "As far as I know, as things stand now," he said, "Clay would be allowed to fight here."

An attorney for Clay in Tacoma, Neil Hoff, said Clay's attorneys had authorized him to push for a fight in Seattle.

One member of the Washington Boxing Commission has stated his support for the license approval. Chairman Harry Lynch opposes the move.

The third and deciding member has not said what he would do, but there have been reports he is willing to grant the license.

The Detroit fight promotion group has reserved Cobo Hall for Monday night, Sept. 21.

To Display Plastic Worms Here Friday

DON HOBBS

Don Hobbs, demonstrator and field tester for Penguin Products of Tyler, will be at Gibson Discount Center from 3:30 to 5:30 p.m. Friday, June 26. He will hold a question and answer period on "The Art of Fishing the Yum-Yum."

Hobbs is shown above with a string of bass taken recently with the two larger ones tipping the scales at 5-14 and 5-10.

Penguin has come up with an innovation in plastic worms that hasn't been tried since this type of worm was invented some 15 years ago. The breakthrough was designed by Frank Keenan, owner and operator of the company. It consists of an amount of light that passes thru the worm giving it a twirling sensation. Light refraction has been proven in this worm to give

almost deadly action to the lunker bass.

Hobbs, the son of Mr. and Mrs. Noah Hobbs, formerly of Hope, is a graduate of Hope High School. Besides his position with Penguin, he is also a field tester for Berkley & Co., Inc., Plano Tackle Co. and Stearn Mfg. Co.

He will display the type of tackle he uses in worm fishing, show the latest tackle box for plastic worms, display his Super Skeeter bass rig and the latest in safety life vests.

Hobbs has been fishing the plastic worm for the past 10 years and has traveled to many lakes in Arkansas, Texas and Louisiana. He said that he uses a 4-0 Sproat hook, prefers a 5½ Berkley Para-Metric worm rod, a 5000C Ambassador reel and 20-

Grid Coach All-America Is Saturday

LUBBOCK, Tex. (AP) — The 10th annual Coaches All-America football game Saturday night will feature the option attack by both teams—an offense usually shelved for all-star games because it takes so long to perfect.

Charles McClendon of Louisiana State, coach of the East team, and Dan Devine of Missouri, coach of the West squad, are masters at teaching the option.

"I think both teams will run some from the option," said McClendon. "And this is unusual."

"We've had eight days to work out. There won't be three yards and a cloud of dust. It will be from sideline to sideline ... a wide open attack. This will make the game more exciting."

Devine said both he and McClendon share the same philosophy—"We'll run the option a lot. We are both striving for a balanced attack. There will be no cheap touchdowns in this game."

McClendon passed over his starting quarterback for his 9-1 LSU team last year—Mike Hillman—in selecting Gordon Slade of Davidson as the No. 1 East signal caller.

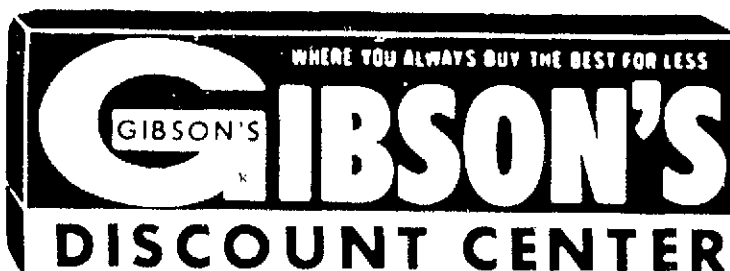

Devine has yet to choose between his own Terry McMillan and strong-armed Dennis Shaw of San Diego State at the starting quarterback post.

The tricky option involves a good deal of ball-handling by the quarterback who slides along the line of scrimmage and either pitches or keeps the ball depending on whether the defensive end goes for him or the running back. It takes split-second timing.

Hobbs stated, "People ask why I use such heavy equipment and not play the bass - when I get them in the boat and on a stringer, that's the time to play with them."

'Before and After' of a Farm Loan

—Harold Foster photo with Star camera

Mr. and Mrs. Albert A. Johnson of Saratoga owned an acre of land and old house, shown in bottom photo. They lived here with their five daughters until they heard of Farmers Home Administration with loans for low income families living in rural areas.

Mr. Johnson has been employed at the Nashville Box Co. since 1954. His earnings now average approximately \$75 per week. They received a Farmers Home loan to build a modest, 3-bedroom modern home, (Top photo) where they now live.

Farmers Home assisted in selection of a blue print and gave advice in completion of dwelling specifications. The family selected a contractor to build their home on July 23, 1969. The house was completed November 6, 1969 and the family moved in at that time. Their payments are \$26.00 per month.

Under the Interest Credit Agreement, this family was able to receive full benefit provided by law. This contribution by Farmers Home is based on adjusted family income plus \$300.00 allowance for each child under 21 years of age at home.

The Johnson children, shown in top photo with their parents are: Angel Lean, 11; Bobbie Dean, 10; Betty Jean, 9; Brenda Lee, 4 and Pamela Ann, 3.

Harold Foster is County supervisor for Farmers Home and Bill Reinhardt is District supervisor. For information on securing a Farmers Home Administration loan, contact the office on the first floor of the Federal building in Hope.

'Let' Service Stirs World of Tennis

By GEOFFREY MILLER
Associated Press Sports Writer
WIMBLEDON, England (AP) — Lew Hoad, 35-year-old Australian veteran, had tennis stars and officials arguing today over whether "let" service calls should be abolished.

Hoad lost a five-setter to Ismael El Shafel of the United Arab Republic in the second round of the All-England Championships Wednesday.

The Australian complained bitterly that at least a half-dozen of El Shafel's winning services touched the net and the net judge let them go by.

Hoad accused the Egyptian of accepting the points when he knew that his service had touched the net.

The row provided ammunition for the British Tennis Umpire's Association, which recently passed a resolution urging that "let" services be scrapped altogether.

South African umpires also want to abolish them.

Bertie Bowron, one of Europe's best known umpires who lives in France but comes over to help at Wimbledon, said: "Why not abolish them? After all, if a service touches the net it usually slows the ball down and gives the receiver an advantage."

"If the server fails to clear the net, why give him another go? It would save a lot of argument if lets were done away with."

El Shafel, 22, who earlier this year scored two victories over Rod Laver on indoor wooden courts, defeated Hoad 6-3, 6-3, 4-6, 6-6, 6-1.

It was the second day running that arguments over let services had disturbed the Wimbledon peace.

On Tuesday Peter Curtis of Britain staged a scene during his first-round victory over Jim Osborne of Honolulu. The Briton claimed he was being wrongly

Jack Dempsey at 75 Destroys Collection of Publicity Myths

By TED MEIER
Associated Press Sports Writer
NEW YORK (AP) — Jack Dempsey, the famous idol of the fight world, has cleared up some of the oft-told gossip about his training camp at Atlantic City, N.J., 44 years ago in 1926.

The world heavyweight champion had set up his conditioning base at the New Jersey resort in preparation for his title defense called on let services.

In that match there was no net judge and the umpire made the calls.

Wednesday's play, curtailed by rain, produced no upset results.

Most of the remaining second-round matches in the men's singles were completed.

Victors included Marty Riesen of Evanston, Ill., Bob Lutz of Los Angeles, Tom Gorma of Seattle, Charlie Pasarell of San-turce, P.R., Frew McMillan, Byron Bertram and Terry Ryan of South Africa, Torben Ulrich of Denmark, Manuel Orantes of Spain, Mark Cox of Britain, Edison Mandarino of Brazil and Australians Owen Davidson and Bob Carmichael.

Meanwhile, with three days of the tournament gone, Mrs. Billie Jean King of Long Beach, Calif., still hadn't fired a shot in her quest for the women's title.

Her match against Fiorella Bonicelli of Peru, which was due to be played on an outer court, was put off until today.

The court was uncovered and had not recovered from overnight rain.

Mrs. Margaret Court of Australia, the top seed and Mrs. King's main rival, opened her campaign by trouncing Sue Alexander, Australian Teenager 6-0, 6-1.

Rod Laver of Australia, bidding for this third straight Wimbledon title and his fifth in all, was scheduled to play Frew McMillan in the third round of the men's singles today.

Little League Boys Compete in Contest

KWKH Radio and KTBS-TV, Shreveport, Louisiana, will cooperate again this year with the Houston Astros to conduct the Boys Baseball Contest. The contest is designed to provide wholesome competition for boys age 8 to 12 in a demonstration of physical fitness and baseball skills. The contest is conducted by officials of Shreveport Parks and Recreation Department and will be held July 18th at Cherokee Park Field in Shreveport.

Coaches of organized teams throughout the area are urged to begin selecting their 2 best players. Entry blanks are available at both sponsoring stations. They must be signed by the parents and then submitted by the boy's coach. Each boy participating will receive a certificate of participating, and a carton of soft drinks. The four winners in this area will compete in the Astrodome for a camp and the parents of the young man will win an expense-paid week in Mexico.

against Challenger Gene Tunney in Philadelphia in September that year.

"I've always heard that you held a regular bout in secret with Tommy Loughran to sharpen up for Tunney," said an admirer Wednesday night at a party in honor of Dempsey's 75th birthday. "Is it true?"

"No, nothing to that," smiled the old time Manassa Mauler from Colorado who at 210 is only 23 pounds over his fighting weight when he won the heavy title 51 years ago by knocking out Jess Willard at Toledo, Ohio.

Loughran, of Philadelphia, became the world lightweight champion in 1927, the year after the secret fight which the gossipers believed had been held.

Tunney dethroned Dempsey with a 10-round decision in the rain that September 23, 1926. Did he actually say afterwards "I forgot to duck?"

"Yes," replied Jack.

It was his refusal to alibi that started Dempsey on the road to the universal respect and admiration he enjoys nowadays.

What about the talk that promoter Tex Rickard had asked him to carry Georges Carpentier, the Orchid Man from France, for a few rounds at Jersey City, N.J. July 2, 1921 on the occasion of boxing's first million-dollar gate?

"No, he never said a word to me," answered Dempsey, puffing a cigar.

Sen. George Murphy of California was among those to attend the party given at Dempsey's Restaurant on Broadway given by his partner and friend, Jack Amiel.

Travelers Edge Dallas by 4 to 3

LITTLE ROCK (AP) — The Arkansas Travelers came back with two runs in the last of the ninth inning to beat the Dallas-Fort Worth Spurs Wednesday night 4-3.

The Spurs had taken a 3-2 lead in the eighth on a two-run homer by catcher Cliff Matthews.

A double by Arkansas catcher Skip Jutze started the winning rally in the ninth. The tying run scored on a wild pitch and an error.

After Arkansas worked the potential winning run to third, Spur righthander Mike Herson issued intentional walks to Jose Cruz and Wayne Dees.

House Moves to Override Hospital Veto

By WILLIAM F. ARBOGAST
Associated Press Writer
WASHINGTON (AP) — House Democrats, figuring to be the winners even if they lose, moved today to override President Nixon's veto of a \$1.25 billion hospital construction bill.

They went into today's vote not particularly confident of picking up the two-thirds majority to overcome the presidential rejection of the measure, but feeling relatively assured of making political hay regardless.

The Democrats felt they couldn't be hurt politically by voting for hospital construction at a time when Nixon is asking Congress to make available \$750 million for loans to hard-pressed railroads.

Furthermore, many GOP members say they still are criticized back home for sustaining the President's veto of a big health and education money bill last January.

With congressional elections less than five months away, candidates don't want to provide their opposition any additional campaign fodder.

Republicans took no solid position on the veto at a party conference Wednesday. Some said they would vote to uphold the President with the understanding a new bill would be passed to meet major White House objections.

The bill didn't register a single vote of opposition when it passed the House and the Senate originally and again when it cleared both branches in compromise form.

A House override sends the measure to the Senate where another two-thirds majority is required.

But the President objected, particularly to a requirement that funds provided to implement the bill must be spent and not withheld.

Nixon also complained because it exceeded by more than \$350 million his budget plans for the fiscal year starting July 1.

Boyle Looks Into Future and Comes Up With 2-Day Week

By HAL BOYLE
NEW YORK (AP) — It was a pleasant late afternoon in the year 2070, and little Pamela decided to do her homework.

"Will you help me, grandpa?" she asked. The old man lowered a copy of the best-selling book he was reading—"Sex Before 100 Is for Children"—and asked:

"What is your problem?"

"I have to write an essay on the history of the week," said Pamela. "We only have a two-day week now, but I hear there once were seven days in the week. Is that true?"

"Oh, my, yes," said grandpa. "I can remember the seven-day week quite well. My father told me that in his youth it was awful. People went to work six days, and then rested on a day they called the Sabbath. They must have really worked up a sweat in those days."

"What's sweat?" asked Pamela.

"That's a good question—I guess your generation doesn't know the meaning of the word," replied grandpa. "Sweat is little drops of salty water that pop out all over your body if you work too hard."

"Ooh, how revolting," said little Pamela, making a face.

Ft. Smith Woman's Salt-Pepper Shakers Collection Fabulous

Fort Smith Southwest Times Record
FORT SMITH, Ark. (AP) — Washing machine, television set, toaster, mixer and sewing machine — all common household items, unless they are in the form of salt and pepper shakers.

These are just a few of the many unusual shapes in Mrs. M. L. Dooley's collection of 325 pairs of salt and pepper shakers.

Mrs. Dooley received her first pair in 1949 from her daughter. Then from 1951 through 1957 she acquired the major part of her collection. "I

have given away over 25 pair that were duplicates," Mrs. Dooley said.

Asked how she got interested in collecting, Mrs. Dooley explained, "It just started out as a hobby. After I got a few pairs, I became really interested in it. Now I've run out of space."

While each pair is fascinating there are some that are quite unique. Included among the collection are a razor and brush, knife and wood, bolt and wrench, umbrella stand, animal horns, rolling pins, rainbow

Voting Law Has Aided Negroes

By TED SIMMONS
Associated Press Writer
ATLANTA, Ga. (AP) — In the five years of its existence, the Voting Rights Act of 1965 has helped Southern blacks fashion a political punch that is leaving an indelible mark on the politics and politicians of the area.

The act, hailed by then President Lyndon B. Johnson as a "triumph for freedom as huge as any victory on any battlefield," was recently extended for another five years by President Nixon.

Here are some examples of black political gains since the act was passed:

Nearly 1 million Negroes in the South have been added to voter registration rolls.

More than 400 blacks now hold elective office in the seven states affected—Alabama, Georgia, Louisiana, Mississippi, South Carolina, Virginia and 39 counties in North Carolina—as compared to a mere handful prior to passage of the act.

And in each of these states Negroes are an increasing factor at the ballot box as a result of political awareness and activity.

In Georgia, a Negro asking whites to "join me in a new political emphasis" is running for governor for the first time in this century, and is conceded enough votes by the leading candidates to force a runoff in the Democratic primary in September.

The candidate, attorney C. B. King of Albany, is joined by blacks seeking such high offices as lieutenant governor and secretary of state.

In Alabama, a Negro civil rights lawyer this year became the first man of his race to win nomination to the legislature since Reconstruction.

In Virginia, blacks were elected to city councils for the first time in such racially conservative areas as Lynchburg, Emporia and Burkeville.

In North Carolina, where no See VOTING LAW (on Page Two)

Refuses Speech for Smith Road

WASHINGTON (AP) — Rep. John Paul Hammerschmidt, R-Ark., said Wednesday that he did not think his making a speech on the floor of the House concerning the proposed road that was to run past Gerald L. K. Smith's religious projects near Eureka Springs "would serve any constructive purpose."

Smith had said that he would ask Hammerschmidt to address Congress concerning the road. The road project was killed last weekend when Transportation Secretary John A. Volpe rejected funds for the project.

Hammerschmidt said he did not see the road controversy as a legislative matter at this time, saying he felt it would fall under an appeal procedure if there is any.

Change Rules on Hauling Mobile Homes

LITTLE ROCK (AP) — The Arkansas Highway Commission voted Wednesday to change the rules on the movement of mobile homes on the state's highways.

The commission rescinded existing rules and adopted new standards specifying the type and size of signs to be displayed when mobile homes are moved on state highways, the times of movement permissible in certain areas, and the power rating of vehicles to be used to haul mobile stores.

The commission also took a step Wednesday toward closer consultation with the state Game and Fish Commission on road development in the area of public waters.

The commission adopted a resolution authorizing Director Ward Goodman to execute a "memorandum of understanding" with the commission.

The memorandum is to lay the groundwork for annual conferences between the two commissions to establish priorities and program schedules for improvement in highway access to waters administered by the Game and Fish Commission.

Goodman said the memorandum would be in line with studies of tax revenue gained from purchases of motor fuels for boating use.

Goodman was also authorized to relocate the utility lines of Southwestern Bell Telephone Co. and Arkansas Louisiana Gas Co. along the Jamestown Interchange on Interstate 40 in Johnson County.

The commission said a slide occurred in the area. The relocation of lines and obtaining of right-of-way will cost about \$18,000.

The commission authorized payment of \$2,000 to the Mississippi River Parkway Commission for the department's share of the cost of promoting and developing the Great River Road in fiscal 1971.

The commission programmed a 5.7 mile section of Arkansas 59 north in Benton County north from the Illinois River to Siloam Springs at an estimated cost of \$455,000, when funds become available.

The commission also considered 10 betterment projects in eight counties. The projects, by county:

PRAIRIE — Resurfacing of 11.31 miles of Arkansas 11, north from Des Arc, at an estimated cost of \$99,000.

Resurfacing 3.76 miles of Arkansas 38 west from Des Arc, \$30,200.

CROSS — Surfacing of 4.01 miles of Arkansas 193 from Arkansas 384 to U.S. 64, \$55,000.

Surfacing of 5.96 miles of Arkansas 350 from Arkansas 1 to Arkansas 284, \$74,000.

CRITTENDEN — Resurfacing .65 miles of Interstate 40 north from frontage road, \$10,000.

CRAWFORD — Resurfacing 6.80 miles of Arkansas 59 south from Natural Dam, \$58,100.

POPE — Surfacing 3.57 miles of Arkansas 333 west from Arkansas 7, \$80,000.

ASHLEY — Resurfacing 2.24 miles of Arkansas 8 and U.S. 82 at Hamburg, \$35,000.

JEFFERSON — Construction of a concrete bridge on Arkansas 54 about 1.27 miles west of Watson Chapel, \$13,000.

ARKANSAS and JEFFERSON — Resurfacing 6.78 miles in selected sections of U.S. 79 between Humphrey and Stuttgart, \$129,000.

Lawyers Win Malpractice Suit

STUTTGART, Ark. (AP) — Circuit Judge Joe Rhodes ruled Wednesday in favor of the defendants in a \$180,000 malpractice suit filed against a Stuttgart law firm.

Rhodes instructed the jury to find for the defendant because he said the plaintiffs "failed to prove cause of action against the lawyers for malpractice."

The suit was filed by Mr. and Mrs. Jeffery H. Deane against the law firm of Macom, Moorhead and Green.

If Penn-Central Fails U.S. May Have to Ask Rail Nationalization

By JOHN LENGEL
Associated Press Writer
WASHINGTON (AP) — Transportation Secretary John Volpe has told Congress the government might be forced to nationalize the country's railroads if federal aid is withheld from the Penn Central and other lines.

"If we do nothing, and all else fails, we only have the option of takeover of the railroads by the federal government," Volpe said Wednesday while testifying in support of a proposal to provide \$750 million in emergency aid for the railroads.

He told the House Interstate and Foreign Commerce Committee the bankrupt Penn Central was badly managed and any government aid would be made at high risk. But chances of the firm, the nation's sixth largest corporation, recovering without federal help is a gamble

at best, he said.

In Chicago, meanwhile, Treasury Secretary David M. Kennedy told the Chicago Council on Foreign Relations the government should have made a "desperate" effort to save the railroad. But he said insufficient time was available to solve the firm's problems. He said other companies might face similar problems because "corporations operate with less cash than they used to."

Committee response to the proposal was reluctant and sometimes angry.

Rep. James Harvey, R-Mich., questioned the aid package on grounds it could set a precedent that would force the federal government to put financial "life nets" under other trans-

Meat-Packing Plants May Limit Imports of Textiles

WASHINGTON (AP) — The Nixon administration was set today to announce support of proposed import restrictions on textiles, apparel and shoes, according to Sen. Strom Thurmond, R-S.C.

He said Wednesday the administration would announce today at a House Ways and Means Committee hearing support of a bill to cut back import levels of those items to 1967-68 levels. He called it "the finest step that could be taken to protect our textile workers."

Faced with substantial protectionist sentiment in Congress, the administration had tried to convince Japan to voluntarily limit shipments to the United States of woolen and man-made fiber textiles.

However, talks with Japan broke down Wednesday and prospects of agreements with other textile exporters waned proportionately.

GAO investigators said they found carcasses contaminated with feces and hair, observed flies, cockroaches and rats, noted the use of dirty equipment and the contamination of meat by rust, by cooling fluids and by plaster, paint and dirt.

The report appeared to substantially confirm charges consumer advocate Ralph Nader made more than a year ago to the government operations subcommittee headed by Sen. Abraham Ribicoff, D-Conn.

Both the GAO and the Agriculture Department said that since the GAO survey began, enforcement has been tightened. The department said no meat is now known to be sold from unsanitary plants.

Seek 3-Month Cease-Fire in Mideast

WASHINGTON (AP) — Secretary of State William P. Rogers said today the United States has launched a diplomatic peace effort in the Middle East designed "to encourage the parties to stop shooting and start talking."

Rogers told a news conference the United States wants the Arab and Israeli foes to move, under United Nations auspices, towards a just and lasting peace which takes fully into account the legitimate aspirations and concerns of all governments and peoples of the area."

The U.S. foreign affairs chief refused to go into detail on the U.S. peace proposal, but it was understood the U.S. plan calls on Egypt, Israel and Jordan for:

—A cease-fire for at least 90 days.

—A start of negotiations under auspices of U.N. mediator Gunnar Jarring.

—In getting into negotiations, the Mideast rivals would also have to accept the 1967 U.N. Security Council resolution outline for a Mideast peace settlement.

Egypt and Jordan would have to commit themselves to the principle of peace with Israel, recognizing her right to existence within secure borders. Israel, in return, would pledge withdrawal from Arab territories she conquered in the 1967 war.

Rogers' prepared opening statement at the news conference said nothing about the administration's decision on Israel's request for more jet war planes.

Concerning the peace initiative, Rogers said:

"Recent and disquieting events in the Middle East led President Nixon on April 29 to order a thorough review of all political and military aspects of the problem. That review has now been concluded.

"As a consequence of the review, the United States has undertaken a political initiative the objective of which is to encourage the parties to stop shooting and start talking under the auspices of Ambassador Jarring in accordance with the resolutions of the Security Council.

"Our objective in launching this initiative has been to encourage the parties to move towards a just and lasting peace which takes fully into account the legitimate aspirations and concerns of all governments and peoples of the area. In light of that objective, we believe it would not be useful to disclose at this time detail of the political initiatives or to discuss publicly military assistance for Israel.

"We believe that this is the time for such an initiative which we have launched directly with the parties and with other interested powers."

Propaganda Charged to Peace Parley

By STEPHEN BROENING
Associated Press Writer
PARIS (AP) — U.S. Ambassador Philip C. Habib accused the North Vietnamese and Viet Cong today of using the Paris talks as a propaganda forum and of avoiding serious negotiations.

"You repeat your constant charge of U.S. aggression in Indochina, and continue to refuse to negotiate except on the basis of your own unreasonable and unrealistic demands," Habib told the North Vietnamese and Viet Cong envoys at the 72nd session of the peace talks.

"Your present tactics at these meetings seem to be based on repeating these demands and refusing to engage in any sort of meaningful discussion."

The South Vietnamese ambassador, Phan Dang Lam, said Hanoi wanted nothing less than to conquer Indochina and declared that Communist leaders regarded the Paris talks only as a new front in advancing their goal.

Urges Farm View Be Supported

WASHINGTON (AP) — Rep. Bill Alexander, D-Ark., said Wednesday that it was "time for the Department of Agriculture to begin considering the needs of the nation's farmers and to represent their interests within the administration."

In a speech on the floor of the House, Alexander said, "It is time for the administration to decide whether it is with the farmers of this nation or against them."
